## Leica Disto A3

- Measures from 0.05m to 100m
- Measures distance, area, volume
- Robust, shockproof, waterproof

### DESCRIPTION

DISTO™ A3 is extremely easy to use and it accurately measures distances, areas and volumes with simple single key operations. DISTO™ A3 is a one-person operated unit, measuring distances from 0.05m to 100m. Measure areas and volumes comfortably and quickly with  $\pm 3$  millimeter accuracy, even in difficult or unreachable places.

### FEATURES

- Accurate Laser Technology
- Simple and fast operation
- Measures distance, areas and volumes
- Min/Max & Continuous measurement mode
- Small, light-weight and easy-to-use
- Designed for indoor & outdoor measurement
- Backlit multi-line display

### APPLICATIONS

The Disto A3 is ideally suitable for construction workers, craftsmen and many other measuring professionals.

### SPECIFICATIONS

<b>Measuring Accuracy</b>	Typical: $\pm 3$ mm
<b>Range</b>	0.05 m to 100 m
<b>Smallest Unit Displayed</b>	1mm
<b>Ø Laserspot (at distance)</b>	6 / 30 / 60 mm 10 / 50 / 100 m
<b>Units Displayed</b>	Metric/Imperial
<b>Temperature Range</b>	Operating: $-10^{\circ}\text{C}$ to $+50^{\circ}\text{C}$
<b>Degree of Protection</b>	IP54
<b>Dimensions</b>	135x 45x 31 mm
<b>Weight</b>	145g
<b>Battery</b>	Type AAA, 2x 1.5V
<b>Battery Life</b>	Up to 5,000 measurements
<b>Warranty</b>	2 years
